

License:

You are free to use the props in any personal or sole trader/sole proprietor project (project team consisting of only you) type be it commercial or free.

If you are in a personal capacity at the time of buying this product and start up a small sole trader business or sole proprietor business

you may continue to use the assets in a professional capacity.

However, if you are no longer in either of those capacities and have purchased a license as a personal or sole trader capacity

you will need to purchase a new license for your company/business of you plus your employees if you wish to sell your game without attribution.

You may not modify and or redistribute and or sell/resell these props unless authorised.
